In re Patent Application of:

A. Neil BARCLAY et al.

Application No.: 10/009,445

Filed: May 11, 2000 (Int'l.)

For: OX2 RECEPTOR HOMOLOGS (AMENDED)

Art Unit: 1636

Examiner: C. X. Qian

COMMUNICATION

MS AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants submit herewith a revised Sequence Listing. Applicants respectfully request consideration and entry of the attached Sequence Listing.

In the Final Office Action on February 17, 2005, the Examiner objected to the specification as the disclosure was allegedly not in sequence compliance. The amended sequence listing was inadvertently omitted from the response filed on April 18, 2005 in response to the above-referenced action. The sequence listing is now submitted herein and is believed fully compliant. Therefore, Applicants respectfully request that the previously filed response is now complete, and the objection to the specification may be withdrawn.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 140942000900. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: May 19, 2005

Respectfully submitted,

By 

Laurie L. Hill, Ph.D.
